

WOW Poster Instructions

- _____ 1. Choose whether you will create your poster vertically or horizontally.
- _____ 2. Write the word at the top of the paper.
- _____ 3. Write the part of speech abbreviation in parenthesis below the word and on the left-hand side of the paper. Use (n) for noun; (v) for verb; (adj) for adjective; (adv) for adverb.
- _____ 4. Write the definition of the word near the word at the top. If your word has multiple definitions, choose ONE definition that makes sense to you. You may want to use a ruler to make light pencil lines so you don't write downhill.
- _____ 5. Illustrate your word.
- _____ 6. Use the word in a sentence near the bottom of the page. You may want to use a ruler, just like for the definition.
